# KitchenSpeedLite

## QuickFacts

**24/7 operation**  
Industrial quality

**waterproof**  
6H glass front

**closed housing**  
easy to clean

**no power cable**  
PoE (Power over Ethernet)

- Is designed for **reliable 24/7 operation**.
- Front is **100% waterproof** and all connections are securely covered.
- **Tempered glass** display, **100% metal** housing, closed and **fanless** — easy and **hygienic to clean**.
- **PoE (Power over Ethernet)** without power cable, Ethernet connection only
- Developed and built in **Austria**.

three sizes

### Display & Touch

- 15,6" / 21,5" / 32" TFT Display 16:9
- Full HD resolution 1920 x 1080
- Projective capacitive 10 point multitouch can be operated with latex gloves

### Operating System & processor types

- Android 14
- Rockchip RK3576
- Google Services

### Built-in storage

- 4GB RAM
- 64 GB Storage

### External power supply

- Eingangsspannung: 100 – 240V~
- Output: 12V DC / 5A; 12V DC / 8A

### Connectors

- (Ethernet) Gigabit LAN
- USB-C OTG, USB 2.0, USB 3.0
- HDMI (for an additional monitor)
- Speaker / 4Ω, 3W

### Dimensions and mounting possibilities

- Dimensions 15,6": 392 x 244 x 48mm (L\*H\*T)
- Dimensions 21,5": 535 x 332 x 60mm (L\*H\*T)
- Dimensions 32": 768 x 464 x 72mm (L\*H\*T)
- Weight: 15,6" 3,9kg / 21,5" 7,2kg / 32" 15,1 kg
- VESA mount: 100mm

### Control elements

- On / Off button

### Environmental conditions

- 0 – 40°C
- Max. 90% humidity
- Front 100% waterproof
- Back can be wiped off with a damp cloth

### PoE (Power over Ethernet)

- Dual power: PoE or alternatively DC -12V
- Requirement: PoE++ (802.3bt), 60 Wp/70 Wp

### Accessories

- PoE Injector PoE 60 Wp
- PoE Injector PoE 90 Wp
